Load Trail is proud to be home to the best trailer warranty on the market. Our 232 Protection plan is standard on all Load Trail Trailers and includes coverage above and beyond most other trailer warranties. The details are:

2 years comprehensive coverage - This comprehensive coverage will protect you from manufacturing defects on every single component on the trailer.

3 years structural warranty on the entire trailer - If used according to guidelines we guarantee our trailer to be structurally free from manufacturing defects for three years.

2 years road side assistance - This protection will give you the peace of mind to hit the road any time with a 24/7 roadside assistance hotline that will cover your trailer and your tow vehicle anywhere in the United States & Canada for personal or business use. Our roadside assistance program will make sure you are never stranded due to unforeseen circumstances when on business or personal trips. All benefits for the trailer are automatically extended to the tow vehicle and both are covered two years from the date you purchase your Load Trail trailer.
