

GOLD

CONFIDENCE IS PRICELESS

NO THIRD PARTY

The Contract is between you and Mercury Marine. Covered parts and labor are paid directly to the service dealer - no need to pay first and wait weeks for reimbursement.

OUR HELP

With more than 4,300 Authorized Mercury Dealers in the United States and Canada, help is never far away. Only Genuine Quicksilver and/or Mercury Precision Parts are used on repairs.

OUR PARTS

Mercury Product Protection Gold provides mechanical component coverage - including labor - for breakdown failures caused by a defect in material or workmanship with a \$25 deductible per claim.

PROTECT THE WHOLE FAMILY

Seven years of combined coverage (warranty and extended service) is available on eligible product.

TAKE YOUR TIME

The standard purchase period for the plan is within 12 months of the original registration date. Our plan starts when the factory warranty ends.

OUR PROMISE

You are insured peace-of-mind boating with Mercury Product Protection Gold coverage of up to \$200 toward on the water tow-in fees, for eligible product.

PASS IT ON

Coverage remains with the product and can be transferred to subsequent owners.
