## **CONFIDENCE IS PRICELESS**

### **NO THIRD PARTY**

The Contract is between you and Mercury Marine. Covered parts and labor are paid directly to the service dealer - no need to pay first and wait weeks for reimbursement.

### **OUR HELP**

With more than 4,300 Authorized Mercury Dealers in the United States and Canada, help is never far away. Only Genuine Quicksilver and/or Mercury Precision Parts are used on repairs.

### **OUR PARTS**

Mercury Product Protection Platinum provides comprehensive component coverage - including labor - for breakdown failures caused by a defect in material or workmanship with a \$25 deductible per claim.

### **PROTECT THE WHOLE FAMILY**

Seven years of combined coverage (warranty and extended service) is available on eligible product. Coverage is not to exceed five years on MotorGuide products.

### **TAKE YOUR TIME**

The standard purchase period for the plan is within 12 months of the original registration date. Our plan starts when the factory warranty ends.

### **OUR PROMISE**

You are insured peace-of-mind boating with Mercury Product Protection Platinum coverage of up to \$200 toward hoist/haul out on all boats 26ft or longer and on the water tow-in fees, for eligible product.

### **PASS IT ON**

Coverage remains with the product and can be transferred to subsequent owners.
